Type	Fixed door / Built-in appliance for integrated use
Total volume	253 l¹
Total net	Fridge: 182 l / Freezer compartment: 69 l
Noise output	34 dB(A)
Frequency / voltage	50-60 Hz / 220-240 V~
Connection Rating	1.4 A 183 W
Aperture dimensions in cm (h / w / d)	177.2-178.8 / 56-57 / min. 55
Controls	
Type of Control	LC monochrome display, touch electronic Digital temperature display for fridge and freezer compartments
Interface	SmartDeviceBox: optional accessory (Only available in selected countries)
Door alarm	visual and acoustic
Alarm in case of malfunction	visual and acoustic
Fridge compartment	
Forced air system	PowerCooling with FreshAir activated charcoal filter
Door interior	Plastic door shelves with bottle holder, egg tray
VarioSafe	yes
Bottle shelf	3-bottle shelf
Interior light	LED ceiling lighting
Fruit and vegetable bins	1 EasyFresh Safe on integrated drawer guide
Freezer compartment	
Star coding	****
Number of drawers	3 drawers, VarioSpace
Freezing capacity in 24 hours	6 kg
Ice cube tray	1
Features	
Side-by-Side concept	Side-panel heating on both sides, suitable for combination with other fridges, freezers and/or wine appliances
Door hinges	Reversible door hinging, right
Replaceable door seal	yes
EAN-Nr.	4016803117636

¹ In accordance with Regulation EU 2019/2016 we indicate the total volume to the nearest integer (rounded off) and the volume of the frozen compartments and refrigeration compartments to one place after the decimal point.

Features

EasyFresh

The guarantee of market freshness in the home is our EasyFresh-Safe. Whether it's unpackaged vegetables or fruit, this ensures optimal storage for everything. Thanks to the air-tight closure, the food causes the humidity in the safe to rise. This keeps the food fresh for a long time.

NoFrost

When you open your freezer, you want to see frozen food – and certainly not ice and frost. NoFrost protects the freezer compartment from unwanted icing, which consumes a lot of energy and can be expensive. NoFrost means no more tedious and time-consuming defrosting of the freezer compartment, more time for other things – and saving money.

DuoCooling

DuoCooling uses two completely separate refrigeration circuits to ensure no air is exchanged between the fridge and freezer compartments. The food neither dries out nor is odour transferred. This means throwing less away, shopping less often, but saving more and greater enjoyment.

Touch display

Fingertip control: the touch display enables easy and intuitive operation of your Liebherr. All functions are clearly arranged on the display. By gently tapping a finger, for example, you can easily select the functions or check the current temperature of your refrigerator.

SmartSteel rear wall

The rear wall in elegant SmartSteel gives your Liebherr a stylish look and feel. Your food will also love SmartSteel as stainless steel is food-safe and hygienic. SmartSteel also reduces the visibility of fingerprints – making the appearance even more pleasing.

SoftSystem

From breakfast to a midnight snack – a fridge needs to be open and closed on many occasions. And your Liebherr makes this a lot of fun. With the SoftSystem, your fridge door closes softly and safely, and in a way which is pleasantly quiet and light. Bottles stored in the inside door remain securely in place – nothing rattles or wobbles.

Technical drawing

Maximum weight of furniture door:
Fridge compartment: 18 kg
Freezer compartment: 12 kg

Products and their details are staged for advertising purposes. Whilst every effort is made to ensure all specifications and information in this flyer are accurate, Liebherr reserves the right to make changes without notification. Where actual appliance measurements, specifications, and ratings are crucial, we recommend that the actual appliance installation instructions that accompany each appliance be checked. Liebherr will not be liable for any damage. (20.03.2025)
