82-88

Type	Fixed door / Under-worktop appliance for integrated use
Total volume	74 l ¹
Noise output	34 dB(A)
Frequency / voltage	50/60 Hz / 220-240 V~
Connection Rating	2.0 A 133 W
Aperture dimensions in cm (h / w / d)	82-88 / 60 / min. 56
Controls	
Type of Control	2.4" TFT-colour display, touch- & swipe Digital temperature display
Interface	SmartDeviceBox: optional accessory (Only available in selected countries)
Door alarm	visual and acoustic
Alarm in case of malfunction	visual and acoustic
Forced air system	PowerCooling
Freezer compartment	
Star coding	****
Interior light	LED lighting
Number of drawers	3 drawers on integrated drawer guide, VarioSpace
VarioSpace	yes
Ice cube tray	yes
Features	
Side-by-Side concept	Side-panel heating on both sides, suitable for combination with other fridges, freezers and/or wine appliances
Door hinges	Reversible door hinging, right
Replaceable door seal	yes
EAN-Nr.	9005382260012

¹ In accordance with Regulation EU 2019/2016 we indicate the total volume to the nearest integer (rounded off) and the volume of the frozen compartments and refrigeration compartments to one place after the decimal point.

Features

NoFrost

When you open your freezer, you want to see frozen food – and certainly not ice and frost. NoFrost protects the freezer compartment from unwanted icing, which consumes a lot of energy and can be expensive. NoFrost means no more tedious and time-consuming defrosting of the freezer compartment, more time for other things – and saving money.

Touch & Swipe display

Control of your Liebherr at your fingertips: thanks to the Touch & Swipe display, you can operate your refrigerator intuitively and with ease. Simply select functions such as SuperCool on the colour display by tapping and swiping. The temperature is controlled just as easily. And, what if you are not actively using the display? Well, it then shows you the actual temperature.

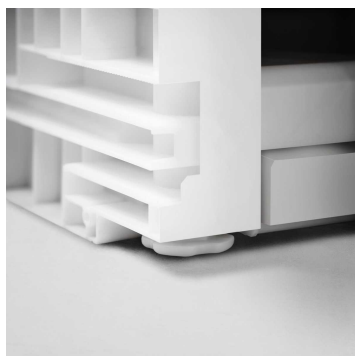

LED freezer compartment lighting

When you open the drawers in your Liebherr freezer, not only are you welcomed by the sight of your food, but also by the attractive lighting. This is provided by powerful, long-life, environmentally-friendly LEDs. The lighting makes it even easier to see all of the contents and is also a unique design element.

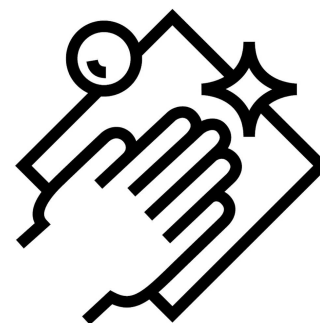

VarioSpace

All freezers with NoFrost and SmartFrost feature drawers which can be conveniently removed. This results in VarioSpace – the practical system for extra storage space so that space can be created quickly even for larger frozen food items

Height-adjustable feet

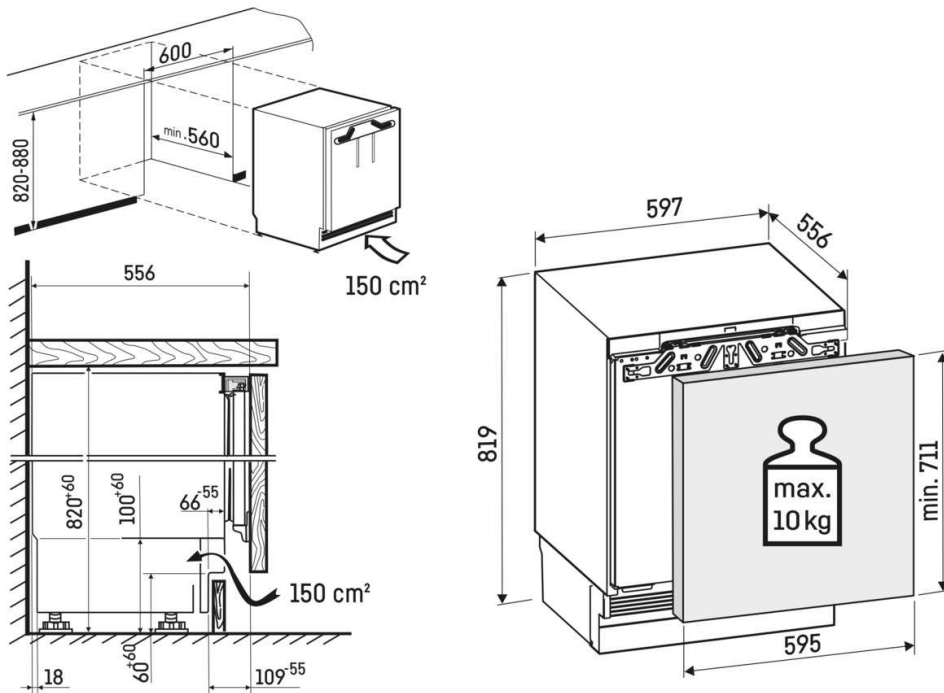

The height adjustable feet allow Liebherr appliances to be aligned, ensuring the appliance is level on most surfaces.

Dishwasher-safe features

The features of your Liebherr are practical in two ways: Not only do they simplify everyday use, they are also very easy to clean. Does the butter dish, FlexSystem or ice cube tray need to be cleaned? Just put them in the dishwasher. Then you'll have more time for other things.

Technical drawing

Maximum weight of furniture door:
Freezer compartment: 10 kg

Products and their details are staged for advertising purposes. Whilst every effort is made to ensure all specifications and information in this flyer are accurate, Liebherr reserves the right to make changes without notification. Where actual appliance measurements, specifications, and ratings are crucial, we recommend that the actual appliance installation instructions that accompany each appliance be checked. Liebherr will not be liable for any damage. (25.07.2025)
